General Report Comments: There is only fish that is being sold at this pet shop as they no longer have Birds and hamsters for sale.
The Parrots
There is an African Grey,a Cockatoo and an Eclectus parrot that belongs to the shop and are not for sale. The parrots cages are clean and well maintained. I observed fresh drinking water,food,peches and hanging ropes inside the cages. The birds body condition is fair and acceptable.
The Fish
There is a variety of small fish at this pet shop. I didn't observe any dead fish inside the tanks. All the fish tanks have got covers on top and the tanks are all clean. There are some enrichments in the form of plants and rocks. There are some thermometers on every fish tank to maintain the required water temperature in the tanks. There were no walfare concerns observed
