General Report Comments: On arrival both dogs were running freely inside the property. Tony admitted that that the dogs were tied as she was busy with her laundry. I advised her to always do the right thing and make sure the length of the leash is long. I also advised her to provide adequate shelter for the dogs as the available kennel have big openings. The body condition of all the dogs is fair and acceptable. The living environment is clean. I issued a warning advising Tony to:

- (1) provide adequate shelter for the dogs
- (2) not tie the dogs using a short leasch.
