General Report Comments: I receya call from the SPCA after hours about a dog that was hit by a car and the owner can 't afford a vet and don't have transportation to bring the dog to the SPCA. Upon my arrival I saw that the address looks familiar. Mrs. Rhodes took the dog from the chain after the warning that I have issued and the dog got into the street because the property is not fully enclosed. Susie the female terrier x was hit by a car. I had to euthanase Susie to prevent any suffering. Refer to admission E2097. NFA until further notice.
