General Report Comments: I went to do a follow-up Inspection at a case that Field officer Baloyi was attending because the owner of the dogs in question has not adhered to the Notice to comply that he has issued. Upon my arrival I was met by Claire who volunteers for Riebeeck Animal Welfare . There was no people on the property. The dogs in question was locked up inside a Wendy house ,I could see the dogs slightly through the door,the place inside looked and I could smell urine and dog poop. According to Claire and the neighbour the owner of the dogs are hardly at home and she can't afford to look after th dogs. I issued warning W6315 to provide the dogs with adequate food and to clean the dogs living area. Will follow-up
