CHECKLISTS

General Report Comments: Upon arrival at the premises, I called out and hooted, but received no response. It appeared that no one was present on the premises.

I then walked around the property in an attempt to locate someone, but still received no response. The property was not fenced on the Rainer Street side, which provided open access to the front door. I used this access to knock on the front door, but again received no response.

While attempting to locate the occupants, I did not observe any animals on the premises.

I then issued Notice to Comply No. I005936 for the owner/occupier to contact Field Officer Mpho Baloyi on 022 492 2781 to discuss concerns relating to their animals, and left the notice document at the door.
