| CONFINEMENT OF ANIMALS          | Free roaming - in property |

General Report Comments: On my arrival to the premises. I was welcomed by Mr Cuan Warely. I introduced myself and explained the purpose of my visit.  
I then observed that the dog was roaming freely inside the sae dwelling house. Water was available, and shelter was available.  
The mentioned that he decided to keep let the dog roam freely and kept inside their same dwelling house. I educated the owner about sterilization and he refused to get his dog sterilized.
