General Report Comments: The SPCA received a complaint about a very thin dog. I went out to do an inspection, upon my arrival I was met by Mr. Talmakkies who is the owner of the dog. I explained to Mr. Talmakkies why I'm here and asked him to see the dog. We went to the back of the property where I observed 1x white and brown terrier x male loose on the property. The dog is underweight, Mr. Talmakkies says that the do feed the dog but he does not want to put on weight, I told Mr. Talmakkies that I'm not a vet and that the dog needs to be seen by a vet, Mr. Talmakkies said that he can't afford a vet and decided to surrender the dog called, Werkom. Refer to admission E1305. No other animals on the property. NFA until further notice.
