General Report Comments: Enrico was at home and he was very arrogant and rude towards me as he claimed that the People from Langebaan Animal Care are the one that helps people in Green Village and the SPCA is only there to cause unnecessary problems to the poor people. I advised him that he must comply with the warning and failure to do so will result in having his dogs removed and may lead into a court case. Both dogs are now on short static chains without swivels. I observed drinking water and shelter. I issued another warning and I will recheck
