General Report Comments: There are two adult male Pitbul X dogs on this property. Both are running freely inside the property. The dog named Captain did poep. Deslin showed me an empty box of Laxapet which helps treat constipation in dogs which she claimed she got at the vet but after contacting Tracey Mistry to give her feedback, Tracey informed me that she is the one who gave the Laxapet. Both dogs body condition is fair and acceptable. The living environment is clean. Deslin agreed to have Max sterilized and the booking have been made for the 29th of September 2026
