General Report Comments: Sarah who is wife to Andre was at home and informed me that I must take Bokkom and Twinkel as she and her husband doesn't have the money to have the dogs treated. She also informed me that even if we sterilize the remain dog, she want us to take the dog as they don't have money to look after the dog. She will speak to her husband about that. I observed fresh drinking water and shelter. All three dogs are loose inside and outside. I will do one more recheck
