General Report Comments: I went to a recheck on the dog in Gambie street, Vredenburg to see if the owner has adhered to my last warning. Upon my arrival I was met by Mr. Makae who is the owner of the dog called Bullet. Bullet was loose on the property. Mr. Makae told me that he is still waiting on a cable to make the runner but the kennel that he asked someone to build for him has arrived. I saw that that they made Bullet a nice big wooden kennel,shelter is now adequate. Water is also available. Mr. Makae asked me if we can help him to get Bullet sterilized and I said I will see what I can do because I will have to speak to my manager. Will follow-up.
