General Report Comments: On my way to Mr Severo Cottle's place about 200m from his house I met him as he was on his way out. He stopped and informed me that he didn't have time to buy the treatment for the fleas on the dogs but he did wash both dogs with dog shampoo. I then issueissued another warning which he signed and he informed me that he was going to buy it and send me the picture. I then proceeded to his house where I met his wife and the two dogs. After I left, Mr Cottle then contacted me to inform me that he did manage to buy Efekto Karbadust which kills fleas. On my warning I did mention that I will recheck in 48hours but the owner complied so I will close this case
