General Report Comments: I saw 1x black and tan X breed female dog roaming the streets. Upon closer look I saw that the dog is a bit underweight and has a skin problem. I asked the kids in the street who the dog belongs to and they said that they think the owner of the dog stays at 4 Snoek street, Saldanha. I went to number 4 Snoek street, but there were no people at home. Property is not fully enclosed and I did not want to go onto the property without permission of the owner. I issued warning W6312 to provide the dog with adequate dog food because the dog is a bit underweight and to also provide the dog with adequate treatment for the skin problem. Will follow-up.
