VETERINARY PROBLEMS / HEALTH CO	Yes ***	Possible tick bite fever
CONFINEMENT OF ANIMALS	Free roaming - in property	

General Report Comments: I saw 1x brown and white Pitbull male inside the yard. I stopped because the dog looked sick. I hooted and a man who introduced himself as Mr. Adams came out. I asked Mr. Adams if he is the owner of the dog on the property and he said yes. I asked him if the dog is sick and he said yes the dog called Hitler eats his food but he is not picking up any weight. I asked Mr. Adams if he had Hitler at a vet and he said no he can't afford a vet. I told him that I'm not a vet but the symptoms he describes seems like possible tick bite fever and that he needs to get Hitler to a vet. Mr. Adams decided to surrender Hitler. Refer to admission E1304. No other animals on the property. NFA until further notice.
