General Report Comments: Mr. January stopped me to come have a look at his dogs eye. He called the dog and I saw that the dog called Pote has an injury to his eye. Mr. January claims that he does not know what happened and he also can't afford a vet. I asked Mr. January to surrender Pote as he needs veterinary treatment and to keep him without receiving veterinary treatment will only prolong unnecessary suffering. Mr. January agreed and surrendered Pote. Refer to admission E1309. NFA until further notice.
