General Report Comments: There are two dogs on this property and both are running freely inside the property. The adult dog named Milley's body condition is fair and acceptable. Fresh drinking water and shelter is accessible by both dogs. The puppy looks sick and Mr Mariko Benesi surrendered both dogs due to the fact that he doesn't have the money for vet treatment. The living environment is clean. I issued a warning advising Mr Mariko Benesi to seek vet treatment in future for any sick or injured animal in his care
