CONFINEMENT OF ANIMALS	On running chain	Property is not enclosed

General Report Comments: I saw this brown Pitbull x female on a running chain,I stopped to have a closer look. I went onto the property because the property is not enclosed,a lady came from inside the house and introduced herself as Fiona. I asked Fiona if she is the owner of the dog and she said yes,I asked her why the dog is underweight and if she has food for the dog. I also observed a open wound on the side of the dogs neck. Fiona told me that she has been feeding the dog house food but the dog does not pick up weight. I asked Fiona if she can afford a vet because if the dog is not gaining weight ,she needs to be seen by a vet. Fiona said that she can't afford a vet,I also told Fiona that left over food is not sufficient for the dog. I gave Fiona the option to surrender the dog called,Layla as she is clearly unable to care for the dog. Fiona decided to surrender Layla and admitted she can't look after her. Refer to admission E1331. There are no other animals on the property. NFA until further notice.
