General Report Comments: Mr. Vraagom stopped me and asked me if I don't have something for his puppy because her hair is falling out,I asked Mr. Vraagom to see the puppy and we went to his house . Inside the property I saw 1x black terrier x female puppy with mange. I asked Mr. Vraagom if he has provided the puppy with any treatment and he said someone told him to use coconut oil but it does not seem to work. I asked Mr. Vraagom if he can afford a vet because this condition is severe and will procure more than just coconut oil and the the puppy called Britney needs to see a vet. Mr. Vraagom told me that he can't afford a vet,I asked him to surrender the puppy to prevent unnecessary suffering . Mr. Vraagom agreed and surrendered Britney . Refer to admission E1330. No other animals on the property. NFA until further notice.
