General Report Comments: Mrs. Van Schalkwyk stopped me and asked me if I don't have something for his puppy because her hair is falling out,I asked Mrs. Van Schalkwyk to see the puppy and we went to his house . Inside the property I saw 1x black terrier x female puppy with mange. I asked Mrs. Van Schalkwyk if she has provided the puppy with any treatment and he said someone told him to use coconut oil but it does not seem to work. I asked Mrs. Van Schalkwyk if she can afford a vet because this condition is severe and will procure more than just coconut oil and the the puppy called Britney needs to see a vet. Mrs. Van Schalkwyk told me that she can't afford a vet,I asked him to surrender the puppy to prevent unnecessary suffering. Mr. Vraagom agreed and surrendered Britney. Refer to admission E1330. No other animals on the property. NFA until further notice.
