General Report Comments: Mr. Esau stopped me while doing door to door and told me that he picked up a puppy 2 weeks ago with a skin condition. He told me that he has tried his best to help the puppy but the skin condition is only getting worst and he want to give the puppy to the SPCA so that we can help the puppy . We went to Mr. Esaus house where I observed a black Pitbull x male puppy loose on the property. The puppy has a skin problem and it is severe. The puppy was surrendered, refer to admission E1342. No other animals on the property. NFA until further notice.
