General Report Comments: There are two dogs on this property. The dog named Blendy was born blind according to Allistein but I was concerned because of the dirty that is in the yard that can injure Blendy. Besides her blindness, her body condition is fair and acceptable but she also scratches. Chloe is on a short chain without a collar and swivels. She also scratches. The yard is dirty and full of old building materials. I issued two warnings one for:
(1) Hygienically maintain the living environment around the dogs and cleaning of the water bowl
The other warning is for:
(1) provide vet treatment for both dogs itchiness
(2) remove Chloe from the short chain
(3) provide swivels and a collar to Chloe
