General Report Comments: 2 tortoise were observed roaming freely inside the property When asked about kicking the tortoise the owner denied the allegations and told me that she will never do that. She told me that she has kept the tortoise for 9 years and she will not allow anyone to abuse her animals. She told me that she does not have a permit to keep the animals she tried to apply it but she did not get any response. I also educated her that the tortoise needs to be kept in wild. I asked her to surrender to the Sandton SPCA but she refused. No violation of the Animal Protection Act 71 of 1962 was.
