Comments:	At the property, I spoke to the mother of little man who brought the bitten dog to us. Mpheng Molefe who is the parent was educated about the some basic provisions of animals. 1 dog on a short, static chain and 3 cats. The dog is allegedly being chained because there are tenants on the property and they have poor fencing around the yard. I managed to convince them to sign over the dog and 2 cats. I told her to come and fetch 'Whitey' in our clinic
