I contacted the number the complainant gave as she phoning of whom was the scene. A gentleman named Stephen told me that the puppies are with the MNW security guard on Cone Way Boom gate in Kelvin. Mr Vincent Ncube was found at the boom gate and he said the person who had the puppies is one of the response guard. I left with my contacts for him to call me when he back. At approx. 10:22, Mr Ncube phoned to say the guy is back. 2 puppies were collected from him and taken to the Sandton SPCA.
