Inspector: XOLANE MNCUBE

Type: COLLECTION - ANIMAL COLLECTED

Follow-Up Date:

Comments: The cat was roaming around the street and I took to the cat. I was informed by the complaint the owner of the cats relocated and left 2 cats. The complaint has been feeding the cats. I was able to catch one of the cats:- I did not see the other one. She told me will keep an eye and we will use her house as a bait and will definitely call us when the other cat comes through.
