CHECKLISTS

General Report Comments: Upon arrival the dogs appeared where confined in a space which i approximately 5m by4m. The reason was that the owner of the property gave him that space to keep his dogs as the other tenants are scared of the dogs. I had to educate him that he needs to increase the space for the dogs. I asked him about the screaming of the dogs and he told me that the dogs are in a new environment. Heis been there for 5 days.
