General Report Comments: The address at house #11 Derby Street, Kensington is the complainant's house. The complainant gave the correct address which was #7 Derby Street, Kensington and the property was a rental compound but the dog owner's in question cotenant(did not identify himself) informed me that he stays at the back of the property and he was not comfortable to let me into the property. A warning note for the dog owner was left with him to give it to him and he agreed to do so.

At approximately 20:50, Mr Johnson phoned me in response to the warning note and told him of the allegations against him which he was surprised to hear. We set up an appointment with him for the next week early morning of the 27/04/2022
