Comment:
Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: I went to the property in question and found that it's a double stand between 14-16 Goodman Terrace. The owners of the house invited me in to explain that they do not have any dogs and they are not 'dog people'. They also suspect a few houses but they were not sure where the barking comes from. To contact the complainant to get the proper address.
