General Report Comments: Upon arrival the dogs were roaming freely inside the property. I saw a chain and asked the owner if he chain his dogs and he does that to the Jack Russell x if he is not inside the property because it jumps the walls and the neighbours complain. He told me that the owner of the Jack Russell is away on holiday. He will come back in two weeks time. The chain is about 4 meters long. I had to educate him that he needs to make the wall bigger but he told me that the landlord will not allow him and the dog is with him for a short period. I had to educate him that chaining an animal is not allowed and also to sterilise his dogs and he agreed to take them to his vet.
