General Report Comments: Upon arrival the dogs were kept inside the property mentioned above. The lady was kept in the property because she did not have a place to stay. The lady was given a temporary shelter and she wanted to leave the property because people wanted to take her dogs. I asked the owner to surrender the dogs to the Sandton SPCA as she did not have own and the spca will keep the dogs but she refused. I also asked to keep the dogs at Sandton SPCA for safekeeping until she gets a place and she refused to do so. I also asked her if the Sandton SPCA can sterilise the dogs for and she told me that she has her own vet who will help he with the sterilisation.
