CHECKLISTS

General Report Comments: Upon arrival at the property the owner of the property was not present. The security guard told me that the owner was not available and he could not give me access to the unit because of the complex rules. He further informed me that the correct unit number was 36 and not 34. I corrected the unit number to the correct unit number. He accepted the warning on behalf of the owner and he said he will give it to him.
