CLEAN LIVING ENVIRONMENT	Yes
ANIMALS IN GOOD CONDITION	Yes
VETERINARY PROBLEMS / HEALTH CO	No
CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: Upon arrival at the property I found the three dogs: Jack Russell, female, tan and white and two German shepherds, male and female. All the dogs appeared to be in good physical condition. No violation of the Animals Protection Act was found. The owner explained to me that they have recently moved into the house. The dogs are not familiar with the new area hence they got out. I advised them to partition the property and about sterilization of the dogs.
