General Report Comments: Upon arrival 3 boys, 4 members of the public and 2 security guards for 24/7 were found on the street walking the dog. The boys did agree that one member of the public asked to sell the dog to him and they agreed. I told them i will take the dog for safe keeping and i will go and speak to their mother Agreneth Maganye. I went to speak to the mother at number 97 14th Avenue Alexandra and she surrendered the dog because she did not have space for keeping the dog.
