General Report Comments: No one was available at the property during my arrival. I left a notice for the owner to contact me. At approximately 15:56, a lady by the name Jackie Lamola contacted me about the reason for my visit and in response to the notice I left at the property. Mrs. Lamola said that she felt insulted when she was called by her son saying there was a white lady who swore at them about the dogs and she was being allegedly racist. I asked to come and have a look at her dogs but she said she would never let me into her house without bringing the complainant with me. To follow up
