General Report Comments: Upon arrival the owner of the dogs who told me that he is a policeman refused to give me access to his property he told me that he wants me to bring the complainant first. As i was leaving he called me that his wife says he must give me access. Inside the property 2 dogs were confined in a small space approximately 2,5 m x 2,5m x1m. Inside the space it was very dirty with dog feaces and smell of urine which shows that its been some days without cleaning. I asked on when he does the cleaning and he told me that the person who cleans comes once a week. I told him need to clean every day and he told me that he works and I asked him to do the cleaning when he is off duty or arrives from work and he told me he drives the Uber when he is off duty. I asked to surrender the dogs to the Sandton SPCA and he told me that i can take them but he will not surrender and i will see whats going to happen to me. I had to give him a warning to rectify the concerns and he refused to sign the warning note.
