General Report Comments: Upon arrival the dog appeared to be in good condition it was not underweight. The only concern was that the dog did not have water and adequate shelter. Mr Ndlovu told me it sleeps on the verandah but no blanket or carpet was found and the verandah is too small it cannot protect the dog from the rain. Mr Ndlovu also told me that the owner moved yesterday from the property he is going to take the dog today to his new property.
