General Report Comments: Upon arrival Bongani Mthembu security told me that they were given the dog last week on the 10/03/2022 by one of their client who was moving so that they can guard using the dog. He phoned his security manager and he told him that he would phone SPCA to come and collect the dog because they are not allowed to guard without a PAPA license. Bongani phoned his manager and the manager told him to surrender the dog to the Sandton SPCA.
