I was informed by my colleague Inspector Warren when I got back to the office he has been to the property before and gave me the contact details of owner who I called and ask her to please make time for me to conduct a full inspection regarding the nature of the complaint. I was informed by the lady she is not available her brother is the one who is currently taking care of the dog and gave me his contact details. I tried to call him x 2 but did not answer his phone.
