General Report Comments: 2 dogs were found on the property (as detailed). The dogs were chained to a short chain on the 'stoep' of the owner's section of his house. The owner, Aaron Sibanda was not available at home. I phoned him after I met his sister to arrange a meeting with him. We made an appointment for tomorrow. The dogs appeared to be in good physical condition. I issued him with a Notice to Comply to un chain the dogs or put them on a running chain.
