CHECKLISTS

General Report Comments: The condition was was still the same but I couldn't see the dogs from the gate. My warning note was removed from the gate. Another note was issued for the owner to contact me.

Later on, at approximately 14:56, Mr. Philip Hardy phoned me in response to the warning note said the allegations of neglected dogs against him were false. He goes to to the house twice every day. I wanted to make an appointment with him but he said he is busy and would rather phone me when he goes to check on the dogs. I said I will wait to hear from him when he gets time.
