General Report Comments: I was given access to enter the yard when I arrived at the property. Mr Mulozi is the owner of the property and of the dogs. I explained the reason for my visit and the allegations against his dog but he said his dogs never run out of the yard as the property is also divided and are kept in a secure area within the yard. Water and a car garage as shelter were provided for the dogs. He said he takes the dogs to some vet in Roodepoort. The dogs appeared to be in acceptable physical condition. No violation of the APA was noted. The owner was advised about sterilization
