General Report Comments: I went to the property and teenager named Dante opened for me into the house. They showed their family dog 'Skyler' who appeared to be in acceptable physical condition. Water was available for 'Skyler' and she sleeps indoors. Dante's mother, Ashton admitted to me that they were not financially stable and I therefore convinced them to sign over the dog to the Sandton SPCA so we can find a good home for her. They surrendered the dog to the Sandton SPCA understandably so.
