General Report Comments: I went to the address 98 Albertina Sisulu Road, Kensington and the owner responded to me knocking at the gate. Her name was Anna Mncube and she attended to me at the gate and invited me into the house. I inspected the living condition of the dog. The dog appeared to be in good physical condition. Water was available and a blanket was provided in the veranda. I issued her with a warning to get a suitable, adequate shelter for Roxy within 7 days. I also offered an igloo kennel at the Sandton SPCA that was on sale. She said she will be able to get a shelter for the dog at the end of the month. She said will make a plan and lemme. To follow up
