| CONFINEMENT OF ANIMALS          | Caged - inadequate space *** Tenants sometimes bring visitors and they are scared of the dog |

General Report Comments: The dog is caged in a space approximately 3m by 2m. I had to give the owner a warning for the dog to roam freely around the property. The owner told me she only open for the dog at night. I educated her that the dog need to be free the whole day.
