General Report Comments: No violation of the Animal Protection Act 71 of 1962 was observed. The dogs appeared to be in good condition. The owner told me he does not know what happened but they told him that his dog jumped a whole which is approximately 2 metres high and attacked the complainant's dog and attacked the complainant when trying to separate them. I educated him about sterilising his dogs and he agreed to sterilise the female dog. To be sterilised on the 12 Sept 2022
