General Report Comments: 14:44 - I contacted the owner, Ms Maria Gomez and we an appointment to meet later that afternoon.

15:52 - Ms Gomez's daughter Lucy invited me in the house when I arrived at the house. They both denied the allegations about owning about 30 cats. They only own 2 small dogs and a cat as detailed. They all appeared in acceptable physical condition but the dogs were old. I advised them to never hesitate to put the dogs down when they see that their quality of life is starting to decline. They told me that whoever complained misinformed us and they believed they were referring to the neighbors at #5 Mersy Street, Kensington. To contact the complainant about the matter to get the correct address.
