General Report Comments: Upon my arrival I spoken to Mrs Natarajan and called her domestic worker Precious Gumbo. I introduced myself to and told her I'm investigating about the shooting of the dog Blaze which was under her custody when the owner where in idea. I asked her what happened and she told me that Blaze was shot. I asked her when was the dog shot
I was informed by her she does not know when the dog was shot. I asked if she knew the person who shot the dog I was informed by her she doesn't know who shot the dog and did not see who shot it. She was told by the owners when they came back from idea that Blaze has been shot and wasn't aware that the dog was shot. I asked if Blaze was eating, drinking water she said yes the dog was eating and drinking water.
I told them it's going to be challenging if the is no eye witnesses and don't know exactly the date when the dog was shot.
I told them we can go to SAPS assist them to open the case for further investigation.
