General Report Comments: Upon arrival Blacky had a small wound on his leg and is limping a little bit. Pinpun has some bite wounds. The dogs got some wounds after jumping into the neighbour's property and attacked a pitbull dog. On arrival the owner was busy fixing his height of the walls because it was short approximately 1,2 metres and making it to be 2 metres. I had to give him a warning to take his dog to the vet for treatment.
