General Report Comments: Upon arrival at the property we found the guards with the dogs, we noted that the Gsd 'Amber' was replaced with another Gsd 'Jane'.
The dogs appeared to be in good physical condition.

The cages has not been built / erect as recommended in the previous warning.

We contacted one of the managers and he told us that they were still in discussions with the company that supplies them with the dogs

Another warning was issued for the cages to be installed.
