Comments:	The property belonged to the Grace Chinese Church as displayed on the front wall. There were contact details that I phoned and one of the pastors, Dan Mellony Hughes who said there was no dog that he knows about on the property even though his fellow pastor also stayed there because he stays in Benoni. He said that he will phone the pastor on the property but he wasn't answering his phone. I told him that I leave a Warning note for him to contact me within 24 hours. Warning VX 0691 was issued and attached to the gate.
